

Dear Parent(s)Guardian(s),

We hope you and your families are well at this exceptional time.

The SET teachers in Coosan National School wish to inform you that we are available to support your child(ren) as best we can while we are not able to be present in school. We have opened a SET tab on the school website which offers suggestions to you which may be of help to your children.

Every household in the country is under different pressures now. The suggestions we put up are only suggestions. You are not under any obligation to look into these as that may be very difficult with your present circumstances. We do not want to put anyone under additional strain, especially your child(ren).

If you wish to contact the SET teacher who offers additional support to your child with any concerns, you may do so by emailing this address - setcoosan@gmail.com. Please add your child's initials and the name of the SET teacher on the subject bar and the SET teacher will respond as soon as she/he can.

Remember that your well-being, your child's well-being and the health of all of your family is top priority. At the end of all of this, your child will not remember what they learned during this time, they will remember how they felt! Please stay safe and stay at home.

Kindest regards.

The SET Team - Coosan NS.
