

5th Class Scheme of work (May 25th – June 5th)

Hi all,

We both hope you are all keeping safe and well. We miss you all but, we are all doing our part to keep everyone safe!

People seemed to like the schedule last week so we have kept the same layout, but as we said this is only a suggestion so you can pick and choose depending on what suits your family best! Try and keep the routines and stay focused on your work when it is work time!

All the work can be completed in a spare copy, refill pad or on a word document! However this week you have your books and copies back so if you want to put the work into the correct copies please do so! If you have any questions please ask! We love to see all the hard work going on via email (just take a picture or why not try type it if you can) **Mr. Keogh-** mrkeoghc2020@gmail.com or **Ms. Beirne-** Ms.a.beirne@gmail.com.

Thank you for your contributions to our Padlet page (<https://padlet.com/mrkeogh2020/qwkum3f1zyykv6uj>). We will announce the winner of the Creative writing competition there this week. Our next competition will be a poetry competition. Use the tips you have picked up from last week and this week's poems to write your own poems about summer and post the poem on our Padlet page or email us. Also we have posted examples of great projects (on padlet) for you to have a look at! We would also love to see if anyone managed to grow some crystals from last week's science experiment

Unfortunately, our time for using Mangahigh has elapsed so until further notice we will not have access to Mangahigh! We will contact you if the situation changes.

Keep up the great effort!

Thank you!

Mr. Keogh and Ms. Beirne
